

Attendance

Well done to everyone for some great attendance last term.

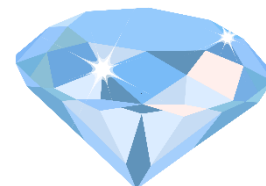

Last term we had 52 100% winners which is a great improvement.
Keep up the good work!

We have noticed that some children are continuing to arrive late to school and are being collected late. We kindly remind parents and carers of the importance of ensuring children arrive on time each day and are collected promptly at the end of the school day.

Thank you for your continued support in helping us give all children the best possible start and end to their school day.

School doors open at 8.40 am and close at 8.50 am
School closes at 3.20pm
