

Year 3 – Summer 1

English

In English, we will be looking at the story of ‘Hurricane’ and using this as inspiration for our own writing.

Maths

In Maths, we will continue to look closely at multiplication and division methods before moving onto learning about fractions.

Computing

In Computing we will be exploring databases using the Purple Mash software 2Question. We will be inputting data and exploring different ways in which we can use this. We will also use 2Stimulation to explore what simulations are.

Science

In Science we will be learning about animals including humans and more closely at nutrition and the formation of animals and humans.

CLICK

This half term, Year 3 are exploring Extreme Earth! We will learn about powerful natural events such as volcanoes, earthquakes and hurricanes. Children will discover how and why these happen, where they occur in the world, and how they affect people and the environment.

RE

We will continue learning about Sikh spiritual teachers, known as ‘gurus’ and the first Sikh Guru, Guru Nanak.

Extreme Earth

Home Learning

Continue practising times tables on TTRS

Read regularly using Oxford Reading Buddy

Extra homework can be provided on request

Subject	Key Vocabulary
